CLUB MEMBERSHIP NOMINATIONS

There has been a very promising response to the Chairman's June letter to members inviting them to nominate appropriate new members to join the Club. Over 100 nominations have already been received.

Patronage of all the Club's facilities is showing across-the-board improvement, particularly so in the Athletic Department. Whilst the forthcoming draft master plan will address future facility options and requirements, there exists the likelihood that new membership nominations will be closed off and a waiting list re-established in the near future.

Included with this Newsletter is a membership nomination form which you are encouraged to use to nominate appropriate new members to your Club. We repeat in part the Chairman's June letter:

"To focus your mind and palate a little, each nomination received in response to this invitation (up to 30 November 1995) will entitle the nominating member to be entered into a draw to be held during the Club's Annual Cocktail Party in December this year. The prize which will be at the discretion of the member, will be

*either One Dozen Bottles of Penfolds Grange Hermitage
or One Dozen Bottles of Johnnie Walker Black Label
or One Dozen Bottles of Champagne **

*(*domestic or French, depending on Pacific events & your conscience at the time)*

The more nominations you make the more chances you will have, there being one entry for each duly-processed nomination.

If you have any questions about this matter (or indeed any other aspect of the Club's affairs) kindly direct your enquiries, in the first instance, to the Secretary/Manager or Committeeman John Murray."

As one member said recently "I am showing six cases of Grange over the Club" - referring to his six colleagues that he was nominating for membership!!!

GOLF

Thirty eight Tattersall's Club golfers had a great day at a superbly prepared golf course at the Lakes. The standard of the greens and fairways were outstanding and we thank the members of the Lakes Golf Club for allowing us the privilege to play at their course.

The individual stableford was won by Scott Harrod who streeted the field with 41 stableford points to take the individual honours. Scott then teamed with Ray Gent to win the Four Ball Best Ball with 44 points. The longest drive was narrowly won by John Furlong from Phil Maundrell and Peter Scarf. Nearest the Pin was won by Ian Pilgrim.

BILLIARDS & SNOOKER

Annual Snooker Handicap

The final of the 1995 Annual Snooker Handicap is expected to be held in the first week of October. There are only eleven players left, including the main benefactor and sponsor of the Handicap Tournament Rod Morton, Eddie Crane (sponsor of our three Crystal Challenge

Doubles Tournaments) and 1993's champion Vinnie Hrouda. Of the eleven players remaining, seven have handicaps of 70 or more and the best handicapped players is the wily Frank Galanos on 55.

Insiders will confirm that players interested in ensuring their place in future finals would be well advised to seek the guidance of our resident professional, Paddy Morgan. (Astute observers have also commented on the preponderance of legalists in the field, but at the end of the day snooker ability is the only way to advance through to the finals.)

Other players still in the competition include C Bell, B Edson, P Twigg, R Foord, M Cummings, A Abbott, B McElvogue and B Antcliffe. The Snooker Sub-Committee wishes good luck to them all.

Interclub Competition

Our team has performed well at the beginning of the second round, securing a solid second place to North Sydney. The team's best result was against Lane Cove where we achieved a 7-3 victory, Andrew Corbett displayed flashes of brilliance to defeat one of the toughest competitors in the competition from NSW Sports.

The final will be played in September and all going well, the Club looks well placed to secure a berth.

Eddie Crane - Crystal Challenge

The next Crystal Challenge Doubles Competition will be held Thursday 7 September. Play will commence at 1:00pm and there will be food and drinks from 3:00pm. In addition to the crystal trophies, donated by Eddie Crane, there will be a prize of \$500 for first place donated by the Snooker Sub-Committee.

The Committee is delighted to announce that it has invited Mr Emery to become a member of the Club on his retirement as Secretary, and he has accepted.

RAH RAH for 'RUGGERS'

(NEXT DOOR TO TATTERSALL'S)

Or, if you like, 'Ruggers' for Rah Rah! On Vince M's last European trip he came across and brought back 'Ruggers' which are simply super-duper, up-market cotton sports shorts of the boxer type and the tops you wear with them. Vince says a couple of Swedish designers aimed them at the American University and sports club market. They look bang on for sporting Sydney.

The shorts are 'washed-look' cotton in big-impact colours, drawstring elasticised waists. The polo tops are rugger-striped or shock-colour plains with contrast collars; also round-neck, hot colour sweats. \$65 apiece. Worth it.

SWIMMING

New swimmers this month are Will Oliver, Mark Davies (58.9 for his 1st 100m) and yes, another Debney - Michael, son of Treasurer Russell. All very good swimmers and Tatt's Swimming representatives will be vying for spots in the Open Teams against City Tatt's on 27 September 1995.

Tatt's swimmers were well represented at the Skiing Week led by Basil Phillips (who else), John Barrell, John Murray and John Storry, reports indicate a good time was had by all.

Famous cartoonist, George Molnar, was delighted to see his painting of the swimming pool and characters reinstated to its place of honour. We share your pleasure George.

AUGUST SPORTSMAN'S LUNCHEON

Members and their guests rubbed shoulders with some of Sydney's top racing identities at the August Sportsman's Luncheon held at Tattersall's Club.

Leading race horse owner Gai Waterhouse was interviewed by sports commentator Graham McNeice and captivated the audience with her wit, charm and personality. A video of Gai's recent wins was also shown, which set a fast pace for the proceedings attended by invited jockies who also kept members entertained at their tables.

Above: Lighthearted questioning by Graham McNeice brought out the best of Gai Waterhouse.

Above: Colin Tidy enjoying the luncheon with a guest, Brent Griffiths.

Right: Bob Sanders, Convenor Race Day Sub-Committee, with leading jockey Glen Boss.

1995 SUN HERALD CITY TO SURF

This year the following people ran in the race:

Michael Stiles	63.28min
Michael Hanrahan	65.05min
Paul Merrony	67.56min
Michael McDonald	69.56min
Phillip Brand	73.46min
Graeme Jones	92.07min

With such fantastic results, it's no wonder our team was placed 4th out of the overall teams in the men's sporting club division; it was a great effort due to the fact that last year the team was placed 7th overall. Congratulations to the abovementioned who ran an excellent race.

The team would like to thank the Club for all its support, especially the t-shirts which the team wore on the day (see below).

Next year we want to better the position of 4th and become 1st. This can only be done with more training.

So what are you waiting for, the next City to Surf - **start training today!!**

EMPLOYEE OF THE MONTH - HAYDEN POMANA -

Last month at the EOI Club Food Excellence Awards, Tatt's Team took Gold. Amongst that team was Hayden Pomana who helped design and also prepare the menu.

Since starting in the Tattersall's Kitchen, Hayden has shown himself to 'go the extra mile' - even when not asked. He is an integral part of the Kitchen Brigade. Thanks Hayden, your actions don't go unnoticed.
